

2022 Ashes to Beauty Church Projects

New Song's 2022 Mission is to assess the increasing needs of our 6 churches and communities to turn them into relational opportunities. We will provide a ministry of love through the outreach of the members of the churches, supported by our US Partners. We are searching for PARTNERS for our "Ashes to Beauty" strategy.

We want to match your passion to a project of your choice and keep you in the loop to follow it through to completion. We are searching for partners who want to focus on a specific project for the six communities, or who want to focus on the projects of a specific community per the partners' desire.

We will provide pictures and updates, as well as financial reports of progress and open communication between partners and churches.

The following figures are based on a need for the entire year broken down by church and project from January 2022-December 2022.

Saul Rios De Agua Viva Church	\$ 3,000.00	Construction (Ext. & Bathroom)	Leo Canto Nuevo Church	\$ 3,000.00	Audio Equipment and Instruments (Youth Band)
